Dear Early Head Start/Head Start Friend,

As our 2020-2021 program year comes to an end, we wanted to take a pause to give a heartfelt thank you for your support to our program. Whether you provided space for our classrooms, spent time with us or donated materials, we know we could not do all we do for the children and families in your community without that contribution.

For 56 years, Head Start has believed in the power of parents and communities to lift Head Start, and 30 years later the Early Head Start program, to their potential. Your support truly is the vision of villages raising children and we appreciate your investment in our programs.

We look forward to future collaboration as we prepare to begin our 2021-2022 program year on September 1st. Thank you for all you do! Enjoy the rest of the summer!

Sincerely,

Becky Adams
